(a) Alexandre Desjardins (b) Alexander Alekhine (c) Efim Bogoljubow (d) Arthur Bisguier (e) Alexander Alekhine (f) William Steinitz (g) Ludwig Bledow (h) David Janowski (i) Seirawan Alekhine Chess Library (Part I of II): A Collection of 669 Chess Books The following collection of 669 books about chess history and philosophy is organized alphabetically. (Bisguier, Janowski, Lasker, Marshall, etc.) Those for which books in the original languages are lacking are in English, while others are in German. Some are in French or Italian. Two books (not the two included in Part I) were not found: Chess Machinations and The Dynamics of Chess. Bibliographical note: The numbers (a-i) are added by me after I've consulted the original bibliography. Thanks to Rolf Kraeuer and Robert Fischer for their help. For a larger number of books the list is now at One more book has been added (not listed above): Lasker's Best Games of the World. (The music on this page is from the Game of the Century Symphony "William Tell Overture") Alexander Alekhine b. 1886 Moscow Argentina Listed in both "Fischer's Games of Chess" and "A Life in Chess" (a) Alexandre Alekhine 1. Chess and Chess Players 2. Introduction to Chess 3. The King's Indian Defense 4. The Myskin Variation 5. An Encyclopaedic Bibliography of Chess 6. Modern Chess 7. Chess and the Mind 8. Problem Chess 9. Chess for Nineteenth Century Russians 10. Selected Papers 11. The Chess Study (1885-1925) 12. The Conquest of Chess 13. Chess since the Beginning of the Twentieth Century 14. "The Immortal Game" 15. Fischer's Greatest Games 16. Fischer's Games 17. Fischer's Chess 18. Fischer's Chess Induced Movements 82157476af
